

INTERGOVERNMENTAL COORDINATION – GOALS, OBJECTIVES AND POLICIES

ICE Policy 1.1.3: Coordination with Punta Gorda

The County shall notify the City of Punta Gorda at the time of application for initial staff review of plan amendments, rezonings, subdivisions, site plan approvals, and conditional use permits affecting shared boundaries and shall notify the City of development proposals within the Prairie and Shell Creek Watershed Study Area, as depicted on FLUM Series Map #4A: Watershed Planning Overlay District, to provide the City with an opportunity to offer meaningful input. The City of Punta Gorda is requested to reciprocate by extending the same courtesy to the County.
